

Dear Recipient:

Enclosed is a check representing payment of restitution owed to you on behalf of the criminal defendants in USA v. Andrew Capoccia, et al.

The forfeiture proceeds and other funds received by the U.S. District Court - District of Vermont have been disbursed on a pro-rata basis to the victims based on amounts owed to each victim as outlined in the Criminal Judgments.

We are disbursing all funds collected in this matter. It is unlikely that any future disbursements will be made.

Any questions regarding the check or the case should be directed to:
